

T DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

12 December 1983

OTE/IT:

For purposes of accuracy re possible use in future runnings of the Introduction to CIA Course, the schedule's present squib (p. 1) describing the NIC should be changed to read:

"The NIC, which was formed by the Director of Central Intelligence (DCI) in early 1980, is composed of the National Intelligence Officers (NIOs) and an analytic group. The NIOs produce the Intelligence Community's National Intelligence Estimates, and serve as the DCI's principal representatives in policy forums. Our speaker will"
